

A black and white aerial photograph showing a coastal or maritime scene. The image is characterized by a dark, grainy background with numerous bright, white, cloud-like patches scattered across it. A prominent, bright, elongated feature, possibly a coastline or a large body of water, runs diagonally from the top right towards the bottom right. The overall appearance is high-contrast and grainy, typical of older aerial photography. In the top left corner, the number "0056" is visible.
